PRODUCT BINDER

Plain, reeded and rope wood poles

These hand finished, high quality, solid wood poles coordinate with the entire Curtains Up™ line. See all styles and sizes of poles on back page.

Wood brackets and extensions

A full range of standard projection and extended projection brackets help to meet a variety of installation challenges.

Wood end caps, inside mounts and rings

End caps and inside mounts are available to resolve awkward installation situations. Wood rings are sized and color-matched to harmonize with the Curtains Up™ collection.

Wood ceiling brackets

Ceiling brackets are available for each pole diameter.

Product Binder

Ask your sales representative about the comprehensive Alhambra™/Curtains Up™ product binder, complete with color chips.
